

Welcome at ticket. international

The Enterprise

ticket. international was founded in 1996. We are an owner-managed medium-sized software house with modern working conditions. We develop, distribute and install professional ticket and concession management systems for the leisure industry with a focus on museums and cinemas. Our headquarters are located in Daun. For more than 21 years, we have been working on IT projects worldwide with great success. More than 500 installations speak for themselves.

We are looking for:

IT specialist – application development (m/f) and

IT specialist – system integration (m/f)

As a trainee, you are integrated in our teams from the beginning and you will be introduced to complex tasks step-by-step.

You are the right person, if:

- You occupy yourself a lot with programming and the assembly of PC's and computer systems in your free time
- You are very good at maths and physics and you can deal well and safely with complex arithmetical problems
- If you are generally very interested in IT also aside from internet and games
- Like to work in a team
- You are good in planning and organizing

You have the following qualifications:

- Successfully completed school education (secondary school, high school)
- Good communication skills
- Team oriented, independent and responsible way of working
- Basic knowledge and interest in IT topics
- Good German and English and/or French language skills (spoken and written)

We offer a variety of creative freedom in our dedicated, young team. Development and participation opportunities in our Delphin product line. Fair working conditions and a working atmosphere characterized by team spirit are on our agenda! It is important to us that our employees enjoy the work and that we maintain a harmonious relationship with our colleagues, customers and suppliers. Every employee makes targeted use of his or her strengths in order to grow with our company. This is how we are constantly expanding our market position.

Let us talk!
